

Who is Christine?

Christine LeBlanc was a truly remarkable woman who we had the privilege of calling our friend. During her 7 year battle with breast cancer, she taught us the true meanings of strength, courage, dignity and grace.

Christine believed in the beauty of people, life and love. Our day spa is honoring her memory and the memory of those who have fought breast cancer.

If there is anything that we can do to make your experience more enjoyable, please ask to speak with us!

Sincerely yours,

Larry Baron & Bryan Szela
